-JOHN QUINCY ADAMS

Jesuit has maintained a solid reputation as one of the very best college preparatory high schools in the greater Sacramento area. Academic excellence is one of the cornerstones on which the entire school is built. There are many high schools in which students can receive a good education.

So why should you consider Jesuit?

THE DIFFERENCE LASTS FOREVER

The answer lies in who you dream of being tomorrow.

At this point, you may not even be sure. Most likely, your future is anything but clear. But if you can see in yourself the desire to do great things, to excel, to become the kind of man that has a powerful impact on this world, no matter what your chosen profession, then you belong here.

Jesuit provides you far more than an education. It reaches inside and develops you from a deeper, more meaningful level. The result is dramatic change. And the effects last a lifetime.

**WHEN YOU CHOOSE JESUIT,
YOU CHOOSE A PATH
THAT LEADS TO GREATNESS.**

God creates all kinds of people with varied capabilities, talents, passions and interests. And Jesuit strives to bring out the very best in each student. With the added emphasis on helping you become aware of those around you, there is a call to move beyond yourself toward a new level of service to others.
